

Blood testing is essential – let's make it easy.

Start ordering BetterWay™ for your patients using the Clinician Portal powered by CareEvolve. Follow these easy steps to place an order.

1. Go to **babsondx.careevolve.com** to log in

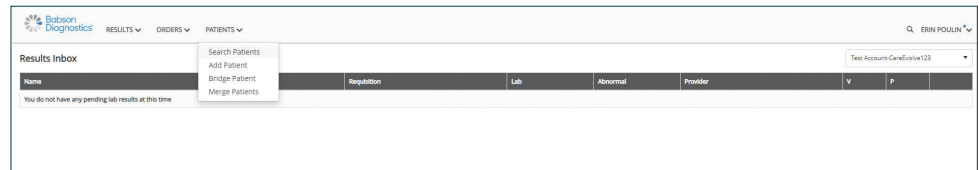

The login form includes fields for Username, Password, and Location, a Log In button, and links for Need help? and Contact Customer Service.

2. Click on the **Patients** drop down menu

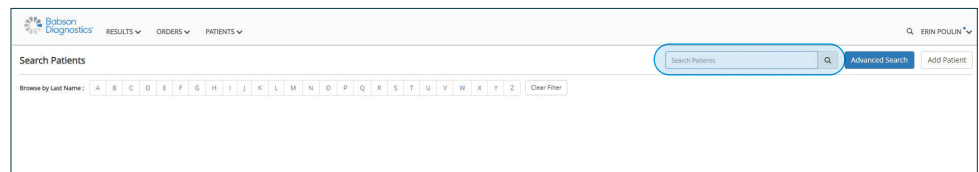

The screenshot shows the 'PATIENTS' dropdown menu selected in the navigation bar. Below it is a 'Results Inbox' table with columns: Name, Date, Requisition, Lab, Abnormal, Provider, Y, P.

3. Select **Search Patients**

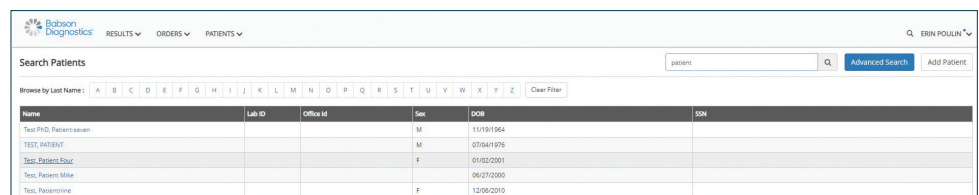

The screenshot shows the 'PATIENTS' dropdown menu with 'Search Patients' selected. Other options include Add Patient, Bridge Patient, and Merge Patients.

4. Click in the **Search Patients** field and begin typing the patient's name (*format: Last Name, First Name*) and then click the **magnifying glass icon**

The screenshot shows the 'Search Patients' search field with a magnifying glass icon highlighted. Below the field is a 'Browse by Last Name' alphabetical list.

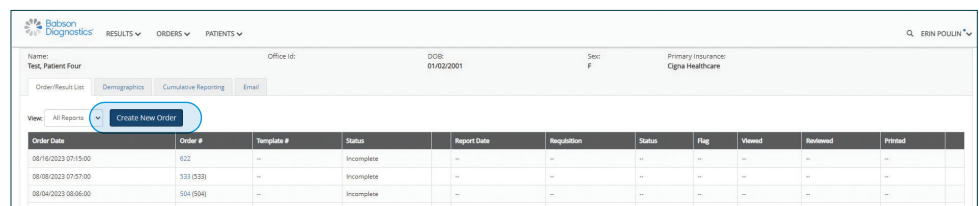

5. Select the patient's name from the list

The screenshot shows the search results table with columns: Name, Lab ID, Office Id, Sex, DOB, and SSN.

| Name | Lab ID | Office Id | Sex | DOB | SSN |
